St. Louis Paper & Box is proud to distribute **Jiffy Mailer®** Products manufactured by **Sealed Air**. Sealed Air is the inventor of Bubble Wrap and their products have been recognized as the standard of excellence for quality for over fifty years.

Sealed Air
Jiffy Mailer®
 Protective Shipping Products

Jiffy Mailer® Products represent the most complete line of cushioned, non-cushioned and rigid protective mailers available. Beyond protecting your products, Jiffy Mailer® Products can provide additional value, such as brand recognition and an enhanced perception of quality, through custom printing of logos and messages in up to eight colors. These mailers are used by a wide variety of small parcel shippers, such as:

Mail Order • Fulfillment • Publishing • Computer and Electronics • Automotive • Audio and Video • Office Supply
Parts Distribution • Pharmaceuticals • Premiums and Incentives • Health and Beauty • E-commerce • Graphic Arts

Cushioned Mailers

Premium **Jiffy® TuffGard®** and **TuffGard Extreme™** Mailers Deliver Maximum Performance!

- Tough & durable multi-layer coextruded film resists moisture, punctures & tears
- Laminated film/air cellular material increases overall stiffness and bursting strength.

- Barrier Bubble® layer (3/16" for Jiffy® TuffGard® and 5/16" for TuffGard Extreme™ mailers) offers maximum air retention and cushioning.

Rugged **Jiffy® Padded Mailers (The Original)** Remain The Benchmark!

- Heavy-duty construction with uniform inner batting (padding) provides excellent cushioning.
- Satin gold kraft has a premium look. Also available in white.
- Double-fold and double-glued bottom flap add corner/edge protection and strength.

High Quality **Jiffyllite®** Mailers Add Up To Great Value!

- 3/16" Barrier Bubble® layer offers maximum air retention and cushioning — lightweight for postal savings.
- Seamless bottom increases protection and strength.
- Fully laminated construction provides stiffness and high-slip air cellular lining facilitates insertion.
- Standard colors of kraft are satin gold (100% recycled) and white.

- Smooth inner liner and pre-scored flap ease insertion and closure.
- Tear tape (mailer sizes 1-7) facilitates opening. Available in self-seal or regular closure — saves labor.

Non-Cushioned Mailers

Durable **Jiffy® ShurTuff®** Mailers Withstand Today's Tough Shipping Environment!

- Proprietary multi-layer film is

Heavy-Duty **Jiffy® Utility** Mailers Offer All-Purpose Protection!

- Stiff, double wall kraft guards against tears and punctures

- puncture, tear and water resistant.
- Smooth, opaque inner layer assures security while easing product insertion.
- Self-seal closure is tamper resistant and saves labor.
- Perforated strip makes opening easy.

- adding to overall strength.
- Seamless sides and double-glued bottom provide extra security.
- Double-fold top and bottom construction protects corners and edges.

Rigid Mailers

Extra-Rigid Jiffy® Rigi Bag® Mailers Provide Superior Corner And Edge Protection!

- Kraft-laminated fiberboard construction prevents movement of contents and resists bending, folding and creasing.
- Satin gold kraft has a premium look.
- High strength, cohesive self-seal offers fast and secure closure while tear tape facilitates opening.

Application Guide and Size Charts

Jiffy® Mailers are designed to be a cost efficient alternative to corrugated cartons by reducing shipping cost, reducing labor costs, and reducing inventory requirements. Please use the below application guide and size chart to determine which of these mailers would be right for you.
